TIPS

Simplify your payments with e-invoice

Make your payments easier, more environment friendly and free of charge by choosing e-invoice. Apply via your bank after receiving your first invoice. In the internet bank – select Telia Finance (subject: Telia Rahoitus). The unique identification code for e-invoice is your social security number.

Additional payments at your choice

You do know that you can pay off your debt at a faster pace, right? Just use the same reference number as usual and simply pay your preferred amount – and at no additional cost. Choose to pay more to reduce the payment period. Or pay the full debt, and you're done.
